Dear Parents/Guardians:

Here is our school's report card for the 2003-2004 school year. This report card is full of important information, including academic performance, teacher qualifications, our learning environment, and much more. Please take a moment to learn more about our school. For a more detailed look at our school, please contact us to see our Expanded Report Card on file at school, which includes more information than we can provide here.

The School Growth Chart:

To see how we're performing, please take a moment to examine our growth chart. This chart starts with our school's baseline CATS score from 2000. We've drawn a goal line from that starting point to our goal of 100 in 2014. Every two years a new index point will be marked on the chart to show whether we are meeting our goal and earning rewards, progressing but short of our goal, or falling far short of our goal and eligible for state assistance. Over time, these points will form a performance trend line for our school.

Year	Goal Line	Assistance Line	Index
2000	62.1		62.9
2002	67.4	62.1	66.5
2004	72.7	65	79.2
2006	78	67.8	
2008	83.3	70.7	
2010	88.6	73.5	
2012	93.9	76.4	
2014	99.2	79.2

How Our Students Perform

Kentucky uses the Commonwealth Accountability Testing System (CATS) to hold schools accountable for student progress. CATS has three parts: the Kentucky Core Content Tests, the national Comprehensive Test of Basic Skills (CTBS/5), and other measures of the school's performance, including attendance, retention and dropout rates. Together these three elements make up a school's CATS Performance Score for every two-year period.

Kentucky Core Content Tests

Kentucky's tests rate student performance using four categories: Novice, Apprentice, Proficient, and Distinguished. These categories translate into a scale of 0-140, with 100 being considered proficient. The state goal for all schools is 100 by the year 2014. This chart compares our school's performance with all the schools in our district and all the schools in Kentucky.

KCCT Test	Novice			Apprentice			Proficient/Distinguished			Academic Index		
	School	District	State	School	District	State	School	District	State	School	District	State
Reading 7th	5%	4%	8%	31%	28%	32%	64%	68%	60%	88.3	90.3	85.1
Science 7th	14%	15%	24%	25%	26%	36%	61%	59%	41%	89.7	89.5	74.6
Writing 7th	15%	13%	29%	58%	53%	51%	27%	34%	20%	64.8	69.6	54.9
Mathematics 8th	19%	21%	26%	44%	45%	41%	37%	34%	33%	74.6	71.4	68.1
Social Studies 8th	11%	12%	17%	37%	42%	44%	52%	46%	39%	84.3	79.5	74.1
Arts & Humanities 8th	19%	23%	23%	29%	31%	32%	52%	46%	44%	75.5	70.5	69.8
PL/VS 8th	14%	15%	20%	29%	33%	41%	57%	52%	39%	82.5	78.8	70.2

The goal is that by 2014 nearly all students will score proficient or distinguished.

Other Measures

The final component of CATS is our school's performance in Attendance, Retention, Dropout and Transition to Adult Life, where appropriate. (The Retention Rate is the percent of students who were not academically ready to go on to the next grade and had to repeat the grade.) Data in these tables reflect our performance during the 2002-2003 school year.

	Attendance Rate	Retention Rate	Dropout Rate
School	94.3%	.9%	0%
District	94.4%	3.2%	3.1%
State	94.3%	3.4%	2.2%

ACMS strives to provide all educators and students with access to current technology, and to train them to utilize the potential of technology to improve learning, teaching, and safety. We want to provide on-going support to educators who practice technical skills and to promote self-confidence as they use these skills to meet the technology standards for ALL Kentucky teachers which were designed to help them integrate, communicate, and facilitate learning. Accelerated Reading and Math are available to help promote reading and math comprehension. In addition to the regular programs used in the computer lab, students are also using the two mobile computer labs purchased by Title I to complete project-based learning activities.
